Solo and Ensemble Accompanist Reimbursement Form

BCFAB will help cover the accompanist fee by reimbursing payment made to an accompanist. The accompanist must be from the Byron Center Music Department's accompanist list. Ask your instructor for the approved accompanist list. If a student wishes to work with an accompanist that is not on the approved list the student must get approval from the music department. BCFAB will reimburse up to a total of \$50.00. In order to qualify for this reimbursement, each accompanist needs to have a minimum of two 25 minute rehearsals and then be the accompanist at the festival.

Reimbursement forms must be submitted to BCFAB no later than two weeks after the festival has concluded in order to receive reimbursement. After we receive your request and verify your paperwork, BCFAB will send your check.
